“

What's my true story?

“Some time ago, I was born on the planet Earth...” - ME.

“Hmm! Tell me more, tell me all!” - KOKONO.

“

What stuck in my mind?

“I experienced this and that, and it hurts! This is not fair,” - ME.

“How Might We make a world a more fun place?” - KOKONO.

“

What opened my heart?

“I knew there’s a
better way!
I dreamed of
the future...” - ME.

“So tell me, what
are you so curious
about?” - KOKONO.

“

What I wanted to find out?

“I had to do something about it... I had to try it out...” - ME.

“How about a tiny experiment and feedback from real people?” - KOKONO.

“

But I got stuck!!

“I had to learn to manage my creative self...” - ME.

“Get on “Airplane” mode and take tiny steps in 25 minute work slots,” - KOKONO.

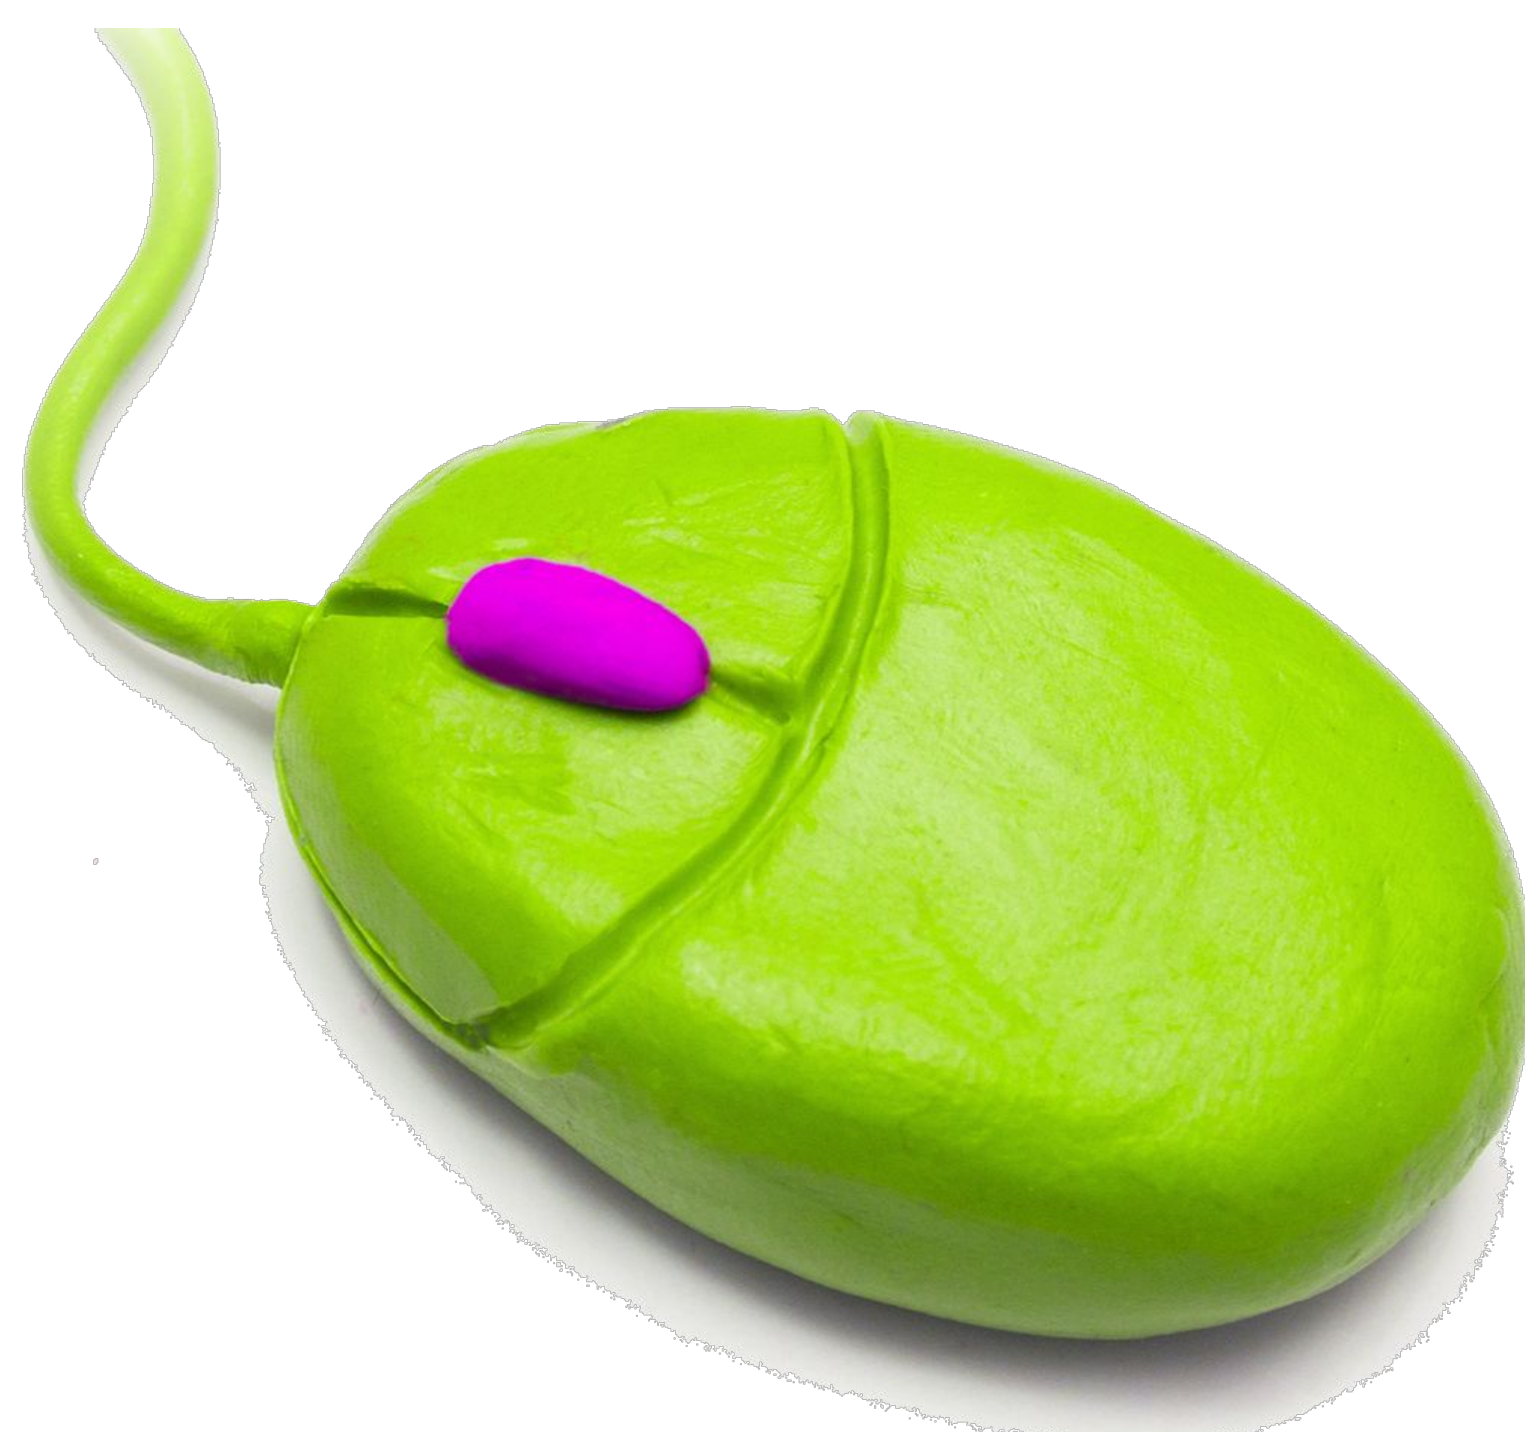

“

Oh, I got stuck again!

“I had to learn to make friends with websites and marketing steps!” - ME.

“Get online with WordPress online shop! Write blogs and send newsletters,” - KOKONO.

“

How I made new friends?

“One day, I woke up surrounded by my personal learning network and clients I serve! I heard that’s the meaning of life!” - ME.

“Go you! Make your purpose spread,” - KOKONO.

**So, what makes
your heart sing?**
